

## The Lasalle Avenue Project Volume 61 07.24.15

Lasalle Avenue from 8th Street to Grant Street

### FOR THE WEEK OF JULY 27-JULY 31

From 8th Street to 12th Street, City crews will continue working on foundations and conduit for street lighting and traffic signals along with prep work for sidewalk replacement.

Public and private utility companies will be raising and making final adjustments to their manhole structures.

The section of Lasalle Avenue from 10th Street to 12th Street will continue to be restricted to northbound traffic only. Southbound traffic will be detoured on 9th Street, Hennepin Avenue and 12th Street (see MAP A). This detour is expected to remain in place for several weeks. Future updates will provide more information.

We do appreciate your patience and understanding as we proceed with this project. Our goal is to keep you informed of our plans and schedule as we proceed and to fully construct the new Lasalle Avenue as quickly as possible.
